## July Review

The 2018-2019 school year has started off strong. The vibe is positive and everyone is geared up and ready to go. Tracks 1-3 Peek-At-My Seat and Parents are Connected was a great success. We would like to send a big thank you to the families that donated to the amazing dinner for our hard working teachers. Kindergarten for Tracks 1-3 began and we saw a lot of happy students. We kicked off our Membership Drive and are looking forward to seeing those numbers increase even more this month. Finally, we welcomed back Track 4. Kindergarten completed their staggered entry and Meet the Teacher and I know the excitement was building for their start.
